

STAYWELL
GUAM
FOUNDATION

Neahmiah Castro, student at J.Q. San Miguel Elementary School

The **StayWell Guam Diabetes Foundation** supported the annual family event, **Fun in the Sun for Fitness & Health!**

Held Saturday, November 17, the morning event promoted physical activities, outdoor games, healthy eating and diabetes prevention for school children and their families. Our two happy winners received bicycles as part of the raffle for participating at the family event.

Greyson Salas, student at J.Q. San Miguel Elementary School
